

Working Together – Western Financial Institutions and Islamic Finance

An important industry event discussing Western Financial Institutions and Islamic Finance are working together to create new opportunities. This event takes place in conjunction with the launch of a new division of LexisNexis' Encyclopaedia of Banking Law, covering Islamic Financial Institutions and Islamic Finance.

We are delighted to bring together two of the most important figures in this area, Antony Hainsworth of Clifford Chance, Dubai and Malik Dahlan of Institution Quraysh for Law & Policy, London's premiere Gulf legal practice. There will be an opportunity to ask questions after the session. Drinks, canapés and an opportunity to network with peers and key industry figures will be available afterwards.
